## **BUYERS' OPPORTUNITY SALE**

This is one of the smallest offerings we have ever made here at Salina, and the reason is pure and simple; there is a shortage of good bulls and females everywhere, and if you are one of those who need to restock your farm or ranch to be ready for the good cattle business that is going to be ahead for everyone in the next five or six years, you will want to make this sale for sure.

Only 14 bulls but some real herd headers. This is by far the most valuable lot of females we have ever sold at Salina ... 15 cows with calves at foot, and remated; 8 bred cows and heifers, and 5 open heifers. I would like to call attention to the fact that this includes a complete dispersion of the small, select herd owned by Dorothy Campbell of Carbondale, Kansas. A choice group of breeding cows that were hand-picked, and are of excellent quality with choice pedigrees.

Then, too, remember the big Kansas Shorthorn Feeder Calf Sale that will be held here at Salina on the day before, October 16 — 1,000 head of Shorthorn steer and heifer calves will be auctioned. *Plan to spend October 16 and 17 in Salina for outstanding commercial and registered Shorthorn values.*

His full sister, Augusta 148th, was shown successfully by the Retzlaffs, being reserve grand champion female at both the Kansas and Nebraska State Fairs and she is now an outstanding member of the McCubbin breeding herd in Nebraska.
